FIG. 17 is a screenshot of the "Distributed Spreadsheet Options" dialog box, specifically the "Email Distribution Defaults" tab. The dialog box has a title bar with a close button (X) and three tabs: "General", "Email Distribution Defaults", and "Logging". The "Email Distribution Defaults" tab is active. It contains four text input fields and a text area, each with a label to its left. The first field is labeled "Default Email Address:" and contains the text "mryan@c-e-p-inc.com". The second field is labeled "Default Email Address Contributors will Reply To:" and also contains "mryan@c-e-p-inc.com". The third field is labeled "Default Subject for Email Sent to Contributors:" and contains "Distributed Spreadsheet Received". The fourth field is labeled "Default Message for Email Sent to Contributors:" and contains the text "You have received a Distributed Spreadsheet. Please open Excel and select the menu option, Distributed Spreadsheet, Receive and Open Spreadsheet." At the bottom right of the dialog box are two buttons: "OK" and "Cancel".

FIG. 17

FIG. 18 is a screenshot of the "Distributed Spreadsheet Options" dialog box, specifically the "Logging" tab. The dialog box has a title bar with a close button (X) and three tabs: "General", "Email Distribution Defaults", and "Logging". The "Logging" tab is active. It contains a checkbox labeled "Logging Enabled" which is checked. To the right of the checkbox is a button labeled "View Log File". Below these is a text input field labeled "Log File Path:" containing the text "C:\Program Files\Distributed Spreadsheet". Below that is another text input field labeled "Maximum Size of Log File (in bytes):" containing the text "100000". At the bottom right of the dialog box are two buttons: "OK" and "Cancel".
